

HEALTH AND SAFETY STATEMENT FOR YSGOL HAMADRYAD

PART 1: STATEMENT OF INTENT - Ysgol Hamadryad

The Governing Body of Ysgol Hamadryad will strive to achieve the highest standards of health, safety and welfare consistent with their responsibilities under the Health and Safety at Work etc. Act 1974 and other statutory and common law duties.

This statement sets out how these duties will be conducted and includes a description of the establishment's organisation and its arrangements for dealing with different areas of risk. Details of how these areas of risk will be addressed are given in the arrangements section.

This policy will be brought to the attention of all members of staff [a reference copy is kept in the Head Teacher's office].

This policy statement and the accompanying organisation and arrangements will be regularly reviewed (at least every two years).

This policy statement supplements:

- Cardiff County General Statement of Health and Safety at Work Policy ;
- Cardiff Council Health and Safety Policy, Organisation and Arrangements Statement

The above Statements (and other Health and Safety policies and guidance) may be downloaded by staff from the intranet.

PART 2: ORGANISATION

Schools should ensure the roles and responsibilities outlined below are a true reflection of the arrangements at their School.

As the employer, the Authority has overall responsibility for Health and Safety in Community and Voluntary Controlled Schools.

[In Foundation and Voluntary Aided schools, the responsibility for health and safety rests with their employer, the Governing Body]

At school level duties and responsibilities have been assigned to staff and governors as laid out below.

Responsibilities of the Governing Body

The Governing Body are responsible for health and safety matters at a local level and are responsible for:

- Ensuring adherence to the local authority health and safety policy, procedures and standards;
- Formulating a health and safety statement detailing the responsibilities for ensuring health and safety within the establishment;
- Reviewing the establishments health and safety policy annually and implementing new arrangements where necessary;
- Monitoring, reviewing and evaluating the school's health and safety performance.

- Providing appropriate resources within the establishment's budget to meet statutory requirements and the local authority health and safety policy, procedures and standards;
- Receiving from the Head Teacher or other nominated member of staff reports on health and safety matters and reporting to (Education or Corporate Health and Safety, or other body as necessary), any hazards which the establishment is unable to rectify from its own budget;
- Seeking specialist advice on health and safety which the establishment may not feel competent to deal with; [In Foundation and Voluntary Aided Schools, the employer must have access to competent Health and Safety advice is a requirement of the Management of Health and Safety at Work Regulations 1999 as amended]
- Promoting a positive Health and Safety culture and high standards of health and safety within the establishment via the nomination of a named health and safety governor.
- Ensuring that when awarding contracts health and safety is included in specifications and contract conditions taking account of the Authorities policies and procedures.

Responsibilities of the Head Teacher:

Overall responsibility for the day to day management of health and safety rests with the Head Teacher.

As a manager of the establishment and of all the activities carried on within it, the Head Teacher will advise Governors of the areas of health and safety concern which may need to be addressed by the allocation of funds.

The Head Teacher has responsibility for:

- Co-operating with the Authority and governing body to enable health and safety policy and procedures to be implemented and complied with;
- Ensuring effective health and safety management arrangements are in place for carrying out regular inspections and risk assessments, implementing actions and submitting inspection reports to the governing body and Authority where necessary;

- Communicating the policy and other appropriate health and safety information to all relevant people including contractors;
- Carrying out health and safety investigations;
- Ensuring all staff are competent to carry out their roles and are provided with adequate information, instruction and training;
- Ensuring consultation arrangements are in place for staff and their trade union representatives (where appointed) and recognising the right of trade unions in the workplace to require a health and safety committee to be set up.
- Reporting to Authority any hazards which cannot be rectified within the establishment's budget;
- Ensuring that the premises, plant and equipment are maintained in good working order;
- Monitoring purchasing and contracting procedures to ensure compliance with Authority policy.

The Head Teacher may choose to delegate certain tasks to other members of staff. It is clearly understood by everyone concerned that the delegation of certain duties will not relieve the Head Teacher from the overall day to day responsibilities for health and safety within the establishment

Where tasks have been delegated to nominated individuals insert details below:

Itemise the functions and areas of responsibility delegated to staff you may wish to consider the following roles Deputy Head, Safety Coordinator, Heads of Department, and Premises Managers etc. Where applicable, schools may also wish to insert details relating to specialist provisions.

Responsibilities of other teaching staff / non-teaching staff holding posts of special responsibility

- Apply the school's health and safety policy to their own department or area of work and be directly responsible to the Head Teacher for the application of the health and safety procedures and arrangements;
- Undertake regular health and safety risk assessments for the activities for which they are responsible and check that control measures are implemented;
- Arrange for appropriate safe working procedures to be brought to the attention of all staff under their control;
- Resolve health, safety and welfare problems members of staff referred to them, and inform the Head Teacher or nominated contact of any problems to which they cannot achieve a satisfactory solution within the resources available to them;
- Carry out regular inspections of their areas of responsibility to ensure that equipment, furniture and activities are safe and record these inspections where required;
- So far as is reasonably practicable, arrange for the provision of sufficient information, instruction, training and supervision to enable other employees and pupils to avoid hazards and contribute positively to their own health and safety;
- Implement procedures so that all accidents (including near misses) occurring within their department are promptly reported and investigated using the appropriate Authority forms etc;
- Arrange for the repair, replacement or removal of any item of furniture or equipment which has been identified as unsafe

Responsibilities of employees

Under the Health and Safety at Work etc Act 1974 all employees have general health and safety responsibilities. Staff must be aware that they are obliged to take care of their own health and safety whilst at work, they must also ensure the health and safety of others who may be affected by their action or inaction.

All employees have responsibility to:

- Take reasonable care for the health and safety of themselves and others in undertaking their work.
- Comply with the school's health and safety policy and procedures at all times.
- Report all accidents and incidents in line with the reporting procedure.
- Co-operate with school management on all matters relating to health and safety.
- Not to intentionally interfere with or misuse any equipment or fittings provided in the interests of health safety and welfare.
- Report all defects in condition of premises or equipment and any health and safety concerns immediately to their line manager.
- Report immediately to their line manager any shortcomings in the arrangements for health and safety.
- Only use equipment or machinery that they are competent / have been trained and are authorised to use.
- Make use of all necessary control measures and personal protective equipment provided for safety or health reasons.

Responsibilities of volunteers

It is recommended that Employers/Schools treat volunteers in the same way as employees. Schools should class supervising adults and parents who attend off site visits as volunteers.

Volunteers should be advised that they are obliged to take care of their own health and safety whilst volunteering. All volunteers must also ensure the health and safety of others who may be affected by their action or inaction.

All volunteers have responsibility to:

- Take reasonable care for the health and safety of themselves and others in undertaking their work whilst volunteering.
- Comply with the school's health and safety policy and procedures at all times.
- Follow the direction/instruction of their supervisor, school management team etc.
- Report all accidents and incidents in line with the reporting procedure.
- Co-operate with school management on all matters relating to health and safety.
- Not to intentionally interfere with or misuse any equipment or fittings provided in the interests of health safety and welfare.
- Report all defects in condition of premises or equipment and any health and safety concerns immediately to their supervisor..
- Report immediately to their line manager any shortcomings in the arrangements for health and safety.
- Ensure that they only use equipment or machinery that they are competent / have been trained to use.
- Make use of all necessary control measures and personal protective equipment provided for safety or health reasons
